  - Thai (Native)
  - English (Intermediate)

WORK EXPERIENCES

KRUNGTHAI CARD PUBLIC COMPANY LIMITED
Permanent

June 2026 - Present

- Team: Internal Controlling & Monitoring
  - Role: Junior Developer
  - Tools: Python, VBA/VBS, Batch Script, SQL,Power Automate, Sharepoint Lists
    - Automated approximately 15 recurring reports: built Batch scripts to retrieve text and Excel files from SharePoint paths, applied data conditioning and queries in Microsoft Access, and wrote VBA procedures triggered via VBS and Windows Task Scheduler, saving about 20 minutes of manual work per report
    - Built Python (Selenium) scripts to extract data from the company core system for report conditions
    - Built Power Automate flows to store processed output in SharePoint and notify relevant business units to verify the data
    - Developed Power BI dashboards using SharePoint lists as the data source for internal monitoring

MCR CONSULTING CO. LTD
Permanent

Mar 2025 - May 2026

- Team: Technical
  - Role: Junior Developer
  - Tools: SQL/PL-SQL,File Zilla,BI Publisher, Oracle Database
